VR Program Management Framework

Image description: Triangle at center with text box - "Outcomes." Text boxes at each of the three triangle points: top – "Mission and SP," bottom right – "Workforce," bottom left – "Data, QA & Metrics." Ring surrounds the triangle with text boxes (clockwise) at top – "Communication," right – "Customers," bottom right – "Service & Processes," bottom left-"Partnerships" left – "Leadership."

What is the RTAC Learning Collaborative?

- Peer-to-peer knowledge exchange between VR agencies
- Features:
  - In-person meetings
  - Webinars
  - On-site and distance consultation
  - Self-assessment
  - Tailored evaluation

KT Elements of the Learning Collaborative

- Exchange Model of Knowledge Translation
  - Interactive and engaged process
  - Built lasting relationships
  - Facilitated knowledge sharing
  - Customized technical assistance
  - Tailored research to users' needs

The RTAC is funded by The US Department of Education's NIDRR and partners with InfoUse
